

OILFIELD, WIRELINE & DOWNHOLE TOOLS

## Now Hiring: Full Time Shipper/Receiver

Brace Tool Inc. requires a knowledgeable and motivated Shipper/Receiver to ensure the seamless processing of outgoing shipments and incoming items. The Shipper/Receiver must understand the impact of this position to business functions that depend on the accuracy and efficiency of outgoing items.

### Qualification:

- Experience in a manufacturing environment required
- Online shipping, tracking and receiving experience utilizing FedEx, Purolator and DHL
- Quality written, computer and communication skills are essential
- Able to work efficiently as part of a team as well as independently
- Good organizational, time management and prioritizing skills
- Able to operate Pallet lifters, Lift trucks, and Fork lifts
- Valid drivers' license and good driving record
- Able to handle weight up to 23 kg (50 lbs)

Brace Tool offers competitive wages, great benefits and a clean environment.
